

PRAYER MINISTRY TRAINING WORKSHOP

SATURDAY, MARCH 13TH, FOOTHILL COVENANT CHURCH

Level I will include important, foundational topics such as: a biblical basis for praying and ministering to others, the qualities of an effective prayer minister, a helpful model for praying for physical healing, leading/helping someone through the steps of forgiveness, and the healing of painful memories.

Level II will build upon the foundation laid in previous prayer ministry training workshops at the Peninsula Vineyard. We will then cover topics such as: the need for deep, healing prayer, creating a safe context for ministry, how to minister as a team / team roles, and then look at a variety of areas of ministry such as overcoming addictions, deliverance, healing of past hurts, etc...

Both Levels include "hands on" prayer ministry for workshop participants, overseen by trained workshop leaders, and time for questions & answers.

Sign-ups for the workshop will begin on Sunday, February 21st near the bagel table. The cost is \$10 to cover breakfast, lunch and materials.
